SOCCKER

One of the most popular and favorite sports at Special Olympics. Children with intellectual disabilities are invited to come play in a non-competitive environment with focus on learning soccer and making friends. Parent coaches and high school volunteers will work with the players on a wide range of soccer skills and play short games. It will be a learning experience with a lot of fun! T-shirts will be provided.

We are also looking for volunteers! Please contact Jenn Hom at Southborough Recreation if you are interested in being a volunteer. Email: Jhom@southboroughma.com
