STUDENT AND PARENT COMMITMENT

My child has my permission to participate in the RAP class selected above. I understand that it is my responsibility to arrange for my child's safe and on time transportation home at the end of class. In the event that the program takes place off school property, I give my child permission to travel to and from the off-site activity in a recreation sponsored vehicle or private vehicle. I further agree to hold the Recreation Commission and the Town of Southborough together with its agents and employees jointly and severally harmless for any injury or accidents sustained during the transport. I agree not to hold responsible the Southborough Recreation Commission; the Town of Southborough; the owners of the premises where the program is held; or any of the parties connected with the program for any injury or accident that may occur during the program. I have read the student behavior policy from the website, regarding participation in any RAP program and have reviewed it with my child. In the event of an emergency, I give authorization for emergency transportation and medical treatment. I understand that I will be notified prior to transport if possible.

Signature Parent/Guardian _____ **Date** _____

Program Times are 3 to 4pm unless otherwise noted. Please read each program description carefully regarding pick up and transport information.

Woodward RAP

Program Description

Geometry JAM & Fraction FUN **Instructor: SET School** **Min 7/ Max 16**

Explore the world of geometry, symmetry, ratios, and the elegant beauty of math using fun hands-on activities with Montessori designed materials.

Expressions KIDS **Instructor: Expressions Art Bar** **Min 6/ Max 15**

This super fun and creative after school painting class is led by local artists from Expressions Art Bar. Every week we have a new project theme and your child will bring home a finished masterpiece. We provide all of the supplies including smocks

Floor Hockey **Instructor: FAST Athletics** **Min 10/Max 20**

Hockey season is over, what to do?? Come join F.A.S.T. Athletics for some street hockey fun. Fundamentals of hockey will be taught along with good sportsmanship and rules. After the instructional period is over, each day will end with a good old fashion street hockey game.

Theater Program: "Moon Cheese" **Instructor: Skyrise Theater** **Min 16/Max 40**

This is a hilarious musical parody about space explorers going on a mission to find Earth's next great discovery. At the end of the 5 weeks, a 30 minute musical performance at the end of the final class. Program fee includes set, costume and tickets to the performance. Program Time: 3 to 4:30

SLIME Lab **Instructor: Sophia Vernovsky, Paradise Island Kids** **Min 10/Max 20**

Discover the far out loopy, goopy world of Slime! Explore and concoct goopy mixtures in your slime lab. Make all kinds of borax free slime including instant snow cloud, galaxy, tie-dye, butter, unicorn, glitter, crunchy and more! You will get to take your slime creations home to show off to your friends and family! All materials included, just bring yourselves! No experience necessary.

Basketball **Instructor: Game Time Training** **Min 10/Max 24**

Join the Game Time Training and their staff of experienced coaches for our Bidy Ballers Program. This program is focused on developing skills and fundamentals for boys and girls in the 2nd and 3rd grade. Skills emphasized will include defense, ball handling, shooting, and passing. Participants will also play "small games" -1 on 1, 2 on 2, 3 on 3, to help reinforce the skills taught. The GTT staff makes learning the game fun with interactive drills, music and ENERGY!

LEGO Robotics **Instructor: Wicked Cool Kids** **Min 8/Max 14**

LEGO Robotics introduce kids to robotics programming. Kids create bots with motors and sensors and program them on our own computers. There are lots of challenges to engage budding techies.

Creative Writing **Instructor: SET School** **Min 5/ Max 10**

Everyone tell stories, but it takes extra effort and practice to tell amazing ones. This class will cover everything from narrative structure to grammar as well as reasoning skills and essays.

STEM Concoctions **Instructor: STEM Beginnings** **Min 7/Max 12**

Let us explore the wonders of Chemistry by creating our own STEM concoctions! The children will experiment with a variety of solutions and substances to observe chemical reactions and understand states of matter. We will experiment on oobleck and slime recipes and other exciting concoctions! Each week, children will bring home a sample of their concoction. LEARNING is best when children are having fun with STEM!

Decorating with cookies.. **Instructor: Paradise Island Kids** **Min 10/Max 20**

Cookie, Cupcake, Cake Pop & Mini Cake Decorating! You will learn to frost a cake & cover it with fondant, decorate the perfect Unicorn Cake, decorate Mermaid cupcakes, work with Buttercream flowers, and sculpt Chocolate Roses and More! If you are ready to perfect your decorating skills then this class is for you! All materials included. No experience necessary.

Flag Belt Games **Instructor: Tiffany Goode, WW Teacher** **Min 10/Max 23**

You will learn game strategies, catching techniques and most importantly how to work together as a team. The students will be able to participate in different situational games such as Red Zone Defense, fourth and inches, and The QB Challenge as they learn the importance of fair play. Each class will end with a simulated game broken down into 4 quarters – the coaches will have tons of plays ready to go for their teams!

Chess **Instructor: Chess Wizards** **Min 6/Max 10**

Chess Wizards is a premier chess education company providing fun, informative and challenging chess lessons to students. Chess Wizards teaches children many important life concepts, such as learning the ability to win graciously and accept defeat with dignity and sportsmanship. Students will be divided into groups according to their chess experience. At the end of the session, each student will have had the chance to participate in a mini-chess tournament.

Design & Build Club **Instructor: Wicked Cool Kids** **Min 8/ Max 14**

Create, design, build: it's engineering inaction! Engineer a path (with MATH) to make a marble whiz down a fun run. Build a better birdhouse and design your own silly balance toy. Use your imagination to create a creature that will sink or float and construct a craft stick catapult to launch a koosh ball.

Dodgeball **Instructor: Tiffany Goode, WW Gym Teacher** **Min 10/Max 23**

Soft foam balls are used to test your skill at outmaneuvering your opponent. Students will learn about safety, proper throwing techniques, and strategies of the sport. Different dodge ball games will be taught.
